

## CHANGES TO LIBRARY SERVICES FOR BARTS HEALTH NHS TRUST STAFF

Over the last 12 – 18 months we have moved more of our library resources online, recognising that this is increasingly what our users have requested.

In addition the following library facilities are available:-

### Newham

Open and staffed: 08.00 – 17.00

Located in Alan Naftalin Education Centre.

Our computer room, located in the Alan Naftalin Education Centre, is available 24/7

### Whipps Cross

Open and staffed : 08.00 – 17.00

Located in Medical Education Centre, Willow Lodge, Junction 11.

Our computer room, located in the Medical Education Centre, is available 24/7

### St Bartholomews

We are delighted to announce that new library facilities will be opening at the end September 2017 within St Barts hospital. Further details and opening hours will be announced shortly.

### Royal London

For a number of years we have had an arrangement for staff to use the library facilities at Queen Mary University London.

Our intention however is to move to having library facilities available at each site.

We are working closely with the Trust senior management team to find suitable facilities at Royal London. In the meantime, Barts staff can continue to use the QMUL library facilities until 31<sup>st</sup> December 2017.

We will let you know of developments over the coming months.

In addition, Barts Health NHS staff who fulfil one of the following criteria will be able to continue to access QMUL facilities even when we move to alternative arrangements:-

- o [They are a Queen Mary UG or PGT student](#) (this includes students on placement with Barts Health)
- o [They are Queen Mary PGR student or staff](#)
- o [They are Queen Mary Alumni](#)
- o [They are PhD students who can access via the SCONUL scheme](#)

## **Barts Health KLS Resources**

All Barts Health staff have access to all of the resources available through the [Barts Health Knowledge and Library Services](#). We are investing heavily in providing digital access to our many resources and are also happy to send hard copy publications, held in any of our site libraries, to staff based at other sites.

If you have any questions or comments about these changes please contact:

Johanna Van Ochten, Library Operations Manager (Interim)
